Thank you for your interest in making a gift of appreciated securities – stocks, bonds or mutual fund shares – to League of Conservation Voters. You can make a gift of appreciated stock in one of two ways:

1. If your stock is at a brokerage firm, stock can be wired to our account using this form. The date of the gift is the date the stock hits our brokerage account.

2. If you are in possession of the stock certificate, you can sign and date the back of the certificate and have your signature guaranteed before mailing it to us using Certified Mail Return Receipt Requested or you can mail the unsigned stock certificate and a signed, dated and signature guaranteed stock power in separate envelopes. The date of the gift is determined by the postmark.
